*All donations to the Old Primero Historical Foundation, a 501 c(3) organization, are tax deductible. Your contributions will help fund the production budgets of Target Japan: The 509th Composite Group and the Beginning of the Atomic Age, The Eagle in the Sun, and other historical preservation projects. These films will bring an important part of our national story to generations of Americans who know little about World War II, the Citizen Soldier, or the victory won in 1945 that changed the world forever.*

*The Bledsoe Award  
For Significant Contributions to the Preservation  
of the History of the Air War in World War II*

*The George Bledsoe Award is presented to those who make significant contributions to the preservation of the history of the air war in World War II. This award is named in honor George Bledsoe who devoted his lifetime to service to mankind, first as a B-24 Liberator pilot flying dangerous low level night missions with the Carpetbagger operations in England and Scotland during World War II. Later as a teacher to thousands of students, Bledsoe became a role model for living life with integrity and a commitment to excellence. His legacy and his memory continues to live on in the lives of his students where Bledsoe made a lasting impact.*
